To Our Customers, Vendors, and Partners,

We are excited to announce that Precision Solutions is now part of Applied Technical Services (ATS)! ATS is a premier provider of high-quality field testing, inspection, calibration, and consulting engineering services with over 40 locations across North America. Precision Solutions, Inc. will now operate as a subsidiary of ATS under the name Precision Solutions, LLC – please update any necessary documentation accordingly.

Summary:

- All communication channels (phone, email, address) at Precision Solutions remain the same; please continue to contact us via those channels with which you are familiar.
- For our vendors, invoices should continue to be sent to [accounting@precisionsolutionsinc.com](mailto:accounting@precisionsolutionsinc.com) or 2525 Tollgate Rd. Quakertown, PA 18951. Email remains our preferred communication method for invoicing.
- Dan Kendra has retired from his role as President of Precision Solutions, Inc. and is looking forward to his next chapter pursuing his personal passions including exploring the mountains, travelling, and spending time with his family.
- Jeanette Filipowicz – former Director of Administration and twenty-eight-year veteran of Precision Solutions – will serve as President of Precision Solutions, LLC.
- Our team based out of Quakertown, PA will continue to focus on creating win-win exchanges with all of our vendors, partners, and customers. The values and commitment of our team remain unwavering in the midst of change.
- Our team is excited to leverage the resources of ATS to grow and enhance Precision Solutions' scope of services and products. Please [reach out](#) to learn how else we might serve you and your business now and into the future.

If you have any questions, please contact us at [info@precisionsolutionsinc.com](mailto:info@precisionsolutionsinc.com); we would be happy to connect with you.

On behalf of our entire team at Precision Solutions, we are incredibly grateful for your continued business. We look forward to building upon past successes and leveraging our new relationship with ATS to create a bright future for all of our customers, vendors, and partners.

With gratitude,

Your Team at Precision Solutions, LLC
